

Creatif Epiphany

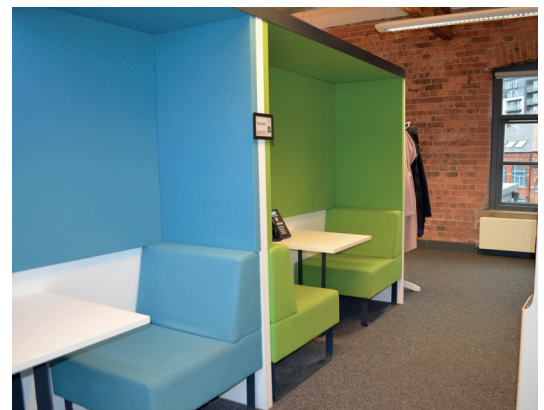

Epiphany are a specialist award-winning, search-led digital marketing agency working with some of the UK's biggest brands.

It's fair to say that their new open-plan Leeds-based offices reflect this status and creativity.

While open-plan environments are ideal for collaboration (something crucial to Epiphany's success), there are inevitably times when staff that quiet space to concentrate on a task, or talk about something private.

Creatif were approached to supply and install 2 Cubes - our cost-effective and acoustically efficient booths - offering the Epiphany team a welcome retreat from the buzz of their open-plan workspace when needed.
